Ambience

A place where food has substance, big appetites are essential and South Africa is the flavour of the month, every month!

The Venue

With magnificent sea views and Table Mountain as a backdrop City Grill is a warm restaurant with a lot of soul.

Food

We are a traditional South African Steakhouse. Our dishes are drenched in African spirit and kept traditional with choices like Bobotie and Ostrich Fillet Steak.

We are famous for our traditional South African dishes with venison options and our beautifully matured beef steak. Biltong and droë wors are on display and available to buy and take home.

We also have a Sommelier on hand to assist with wine recommendations and food pairing from our fantastic Vintage Wine selection.
